

EASY ROLLER[®] GDO-6 GEN2

THE WORLD-BEATER JUST GOT BETTER

THE ESSENCE OF SMART, SIMPLE AND SECURE.

Our new flagship roll-up garage door opener, the EasyRoller[®] Gen2 expands on the international standard set by its predecessor. Retaining the proven slimness, technological performance and reliability, this new opener introduces key technologies including Wireless Safety Beam compatibility and LED lighting.

The EasyRoller[®] Gen2 takes forward the impressive reputation earned by this series of openers over the past decade. This new version incorporates bright LED courtesy lighting and compatibility with Wireless Safety Beams. Also, the Service Indicator lets you know when it is time to service your door. This is in addition to TrioCode™128 transmitters for security, Soft Start/Soft Stop for quietness, advanced door profiling and obstruction sensing for safe, reliable operation.

WHAT'S IN THE BOX:

Opener with LED Courtesy Lights

Easy Access Transmitter to open and close the door from within the garage

Two TrioCode™128 transmitters

AT A GLANCE:

SECURE & RELIABLE TRANSMITTERS

The TrioCode™128 transmitter system ensures secure and reliable home access. It transmits on three frequencies to defeat radio interference, and uses a 128-bit encryption protocol (with trillions upon trillions of random codes*) for the ultimate in security.

*340,282,366,920,938,463,463,374,607,431,768,211,456 codes

POWERFUL MOTOR

A powerful DC 600N motor means this opener is both consistent and reliable, and we back this up with a five year warranty.

LED COURTESY LIGHT

A Courtesy Light means your immediate surrounds can be lit to provide security and convenience, and being an LED light source you know it's going to last.

5-YEAR WARRANTY

The EasyRoller[®] Gen2 is backed by a 5-year/10,000 cycle warranty, giving peace-of-mind that you are choosing the most reliable automation solution.
